NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 26-0014 Supplemental Drug Rebate Updates.

Effective Date: July 1, 2026.

Description: The health care authority (HCA) intends to submit SPA 26-0014 to create a new supplemental drug rebate agreement contract template for HCA to use in contracting with pharmaceutical manufacturers for drug items that are covered by medicaid fee-for-service and medicaid managed care organizations. In addition, SPA 26-0014 will amend the supplemental rebate information in attachment 3 of the medicaid state plan to remove references to a specific entity, replacing them with generic references.

SPA 26-0014 is expected to have no effect on current annual aggregate expenditures/payments to providers, as drug rebates do not affect provider payments.

HCA is in the process of developing the SPA. HCA would appreciate any input or concerns regarding this SPA. To request a copy of the SPA when it becomes available or submit comments, you may contact the person named below by June 18, 2026 (please note that all comments are subject to public review and disclosure, as are the names of those who comment).
