 WASHINGTON

LEGAL NOTICE: The Washington state department of agriculture (WSDA) plant protection division is hereby notifying the affected public that the herbicides glyphosate (e.g. Aquamaster®, Aquaneat®, or Rodeo®) and imazapyr (e.g. Habitat® or Polaris AQ®), surfactants (e.g. Agri-Dex™, Class Act Next Generation™, Competitor™, Dyne-Amic™, Kinetic™, or LI-700™) and marker dyes may be used to control invasive *Spartina* grass species between June 1, 2010, and October 31, 2010. Properly licensed pesticide applicators who have obtained coverage under the WSDA national pollutant discharge elimination system (NPDES) waste discharge general permit may apply glyphosate or imazapyr to control the noxious weed *Spartina* on the saltwater tideflats of Grays Harbor, Hood Canal, Willapa Bay, Puget Sound, and the north and west sides of the Olympic Peninsula.

Use of herbicides is one of the options used to control *Spartina*. These infestations may also be treated, but not eradicated, by mowing, digging, crushing, or covering.

For more information, including locations of possible application sites or information on *Spartina*, contact the WSDA *Spartina* Control Program at (360) 902-1923. Or write WSDA *Spartina* Program, P.O. Box 42560, Olympia, WA 98504-2560. To contact the WSDA NPDES permit coordinator, call Brad White at (360) 902-2071. Prevailing Rate of Wage Emergency Correction

As per RCW 39.12.015, 39.12.020 and WAC 296-127-011 and as was published on the internet on August 2, 2010, the industrial statistician has determined the statewide prevailing rates of wage. These prevailing rates of wage are effective for public works projects bid on or after September 1, 2010. On September 2, 2010, the industrial statistician and director of labor and industries made an emergency correction to these rates. The corrected rates became effective immediately on September 2, 2010, per WAC 296-127-011.

This wage rate correction affects the trades power equipment operators and power equipment operators-underground sewer and water. The correction affects Lewis, Pacific, Pierce and Thurston counties.

Every contractor and subcontractor on every public works project must file a statement of intent to pay prevailing wages and an affidavit of wages paid. Both forms must be filed on every project. The filing of the affidavit of wages paid does not set aside the requirement to also file the statement of intent to pay prevailing wages. The department may fine contractors \$500 for failure to file these forms.

For more information on prevailing wage or a copy of the rates please visit our web site at www.lni.wa.gov/TradesLicensing/PrevailingWage/ or call (360) 902-5335.

Following is the correction notice which has been published on the prevailing wage web page at <https://fortress.wa.gov/lni/wagelookup/correctionpublication.asp?PubCtllD=16>.

Washington State Prevailing Wage

The PREVAILING WAGES listed here include both the hourly wage rate and the hourly rate of fringe benefits. On public works projects, worker's wage and benefit rates must add to not less than this total. A brief description of overtime calculation requirements are provided on the benefit code key.

Changes to the journey level wages also impact apprentice wages. Use the apprentice wage rates lookup page.

EXECUTIVE ORDER
OFFICE OF THE GOVERNOR
[September 13, 2010]

EXECUTIVE ORDER 10-04

ORDERING EXPENDITURE REDUCTIONS IN ALLOTMENTS OF STATE GENERAL FUND APPROPRIATIONS

WHEREAS, the national economic downturn continues and revenues have fallen short of projections; and

WHEREAS, the current official state economic and revenue forecast of general fund revenues is less than the official estimate upon which the state's 2009-2011 biennial operating budget and supplemental operating budget were enacted; and

WHEREAS, the anticipated revenues combined with the beginning cash balance of the general fund are insufficient to meet anticipated expenditures from this fund for the remainder of the current fiscal period; and

WHEREAS, a revised official economic and revenue forecast will be submitted in September pursuant to chapter 82.33 RCW which will reflect greater downturns in estimated receipts and revenues; and

WHEREAS, state law authorizes and directs the Governor to implement across-the-board reductions of allotments of appropriations to avoid a projected cash deficit; and

WHEREAS, under state law, an across-the-board reduction in allotments necessitated by a cash deficit applies to all agencies of state government, including agencies of the legislative and judicial branches and agencies headed by elected officials; and

WHEREAS, funding necessary for basic education, debt service on state bonds, state pension contributions and certain other purposes cannot be withheld;

NOW, THEREFORE, I, Christine O. Gregoire, Governor of the state of Washington, pursuant to chapter 43.88 RCW do hereby order:

The allotment of each appropriation from the State General Fund will be reduced effective October 1, 2010, by an amount necessary to avoid a cash deficit in the State General Fund. The reductions in allotments shall be based on the September 2010 official state economic and revenue forecast. The amount of the reduction in allotted spending authority shall be assigned to reserve status as provided in RCW 43.88.110.

The Director of the Office of Financial Management shall calculate the amount by which the aggregate of planned expenditures and disbursements charged to the General Fund will exceed the aggregate of estimated receipts credited to such fund in the current fiscal period, less the beginning cash balance. In making this calculation, the Director shall use the estimated receipts and revenues contained in the September 2010 official state economic and revenue forecast. The Director shall enter across-the-board revisions to the allotment of each appropriation from the State General Fund effective October 1, 2010, by the amount calculated under

this order. The Director shall not withhold approval of spending authority necessary to satisfy constitutional obligations such as basic education, debt service on state bonds, and state pension contributions.

The Washington State Rehabilitation Council (WSRC) is a group of fifteen governor-appointed volunteers. The council was created by Title 1, Section 105 of the Rehabilitation Act and by Executive Order 04-04, for the purpose of increasing employment and economic advancement for eligible jobseekers with disabilities. We are systems advocates for the vocational rehabilitation (VR) service system and the customers it serves. Our mandates include gathering public input, which is why you are being invited to share your thoughts. **You are not required to attend. This is not a regular division of vocational rehabilitation (DVR) appointment with your counselor.** We will take comment for ninety minutes. The last half hour will leave time for mingling and individual follow-up.

We are interested in how the VR system is working, so we hope you will help us understand:

- What you understand about how participating in DVR services is related to going to work;
- Whether your questions are answered by DVR staff in a timely manner;
- Whether or not you feel that your process will lead to a job you want;
- Whether you think you will have the wage and benefits that you need;
- What you would want decision makers to consider for the next generation of people using VR services.

To request reasonable accommodation or a spoken language interpreter, please contact JoAnne Lang at langjk@dshs.wa.gov or 1-866-252-2939 (between 9 a.m. and 1 p.m., Monday through Friday).

Although we would look forward to seeing you in person, it may be more convenient to submit written comments by e-mail. You are welcome to do that by contacting JoAnne at the e-mail listed above.
