HEALTH CARE AUTHORITY

[Filed October 18, 2020, 8:50 a.m.]

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 20-0039 Disaster Relief Addendum 2.

Effective Date: October 20, 2020.

Description: The health care authority (HCA) intends to submit SPA 20-0039 to comply with the federal requirement to submit a SPA when a termination date for medicaid disaster relief policies and procedures is different than the end of the public health emergency related to the COVID-19 outbreak. HCA's medicaid disaster relief SPA 20-0014 was

approved by the Centers for Medicare and Medicaid Services on April 24, 2020, and medicaid disaster relief SPA 20-0021 was approved on July 30, 2020.

SPA 20-0039 will authorize HCA to return rates to the pre-pandemic level for emergency dental extractions (codes D7140, 7210, 7220, 7230, and 7240) effective October 1, 2020. Payment for dental code D1999 for personal protective equipment (PPE) will end on November 30, 2020. Rates will return to the pre-pandemic level for private duty nursing services on January 1, 2021.

SPA 20-0039 is expected to reduce annual aggregate expenditures/payments for emergency dental extractions by approximately \$58,000. Annual aggregate expenditures/payments for dental PPE will be reduced by approximately \$1,065,300. HCA is currently unable to determine the reduced expenditures related to private duty nursing services.

SPA 20-0039 is in the development process; therefore a copy is not yet available for review. HCA would appreciate any input or concerns regarding this SPA. To request a copy when it becomes available or submit comments, please contact the person following (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

Contact Ann Myers, State Plan Coordinator, 626 8th Avenue S.E., Olympia, WA 98501, TTY 711, email ann.myers@hca.wa.gov.

HEALTH CARE AUTHORITY

[Filed October 19, 2020, 7:34 a.m.]

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 20-0029 Pharmacists.

Effective Date: November 1, 2020.

Description: The health care authority (HCA) intends to submit medicaid SPA 20-0029 in order to clarify that pharmacists are able to provide and bill for services according to their scope of practice, by adding them to the list of "other licensed practitioners" in the medicaid state plan. This is not a change in policy or practice; it is for clarification purposes only.

Because SPA 20-0029 does not change current policy or practice, it is expected to have no effect on the annual aggregate expenditures/reimbursement/payment for pharmacists and the services they provide.

A copy of SPA 20-0039[0029] is available for review. HCA would appreciate any input or concerns regarding this SPA. To request a copy of the SPA or submit comments or questions, you may contact the person following (please note that all comments are subject to public review and disclosure, as are the names of those who comment).
