OFFICE OF THE
INSURANCE COMMISSIONER
[Filed December 15, 2025, 3:38 p.m.]

EMERGENCY ORDER NO. 25-01

TO: ALL INSURERS AUTHORIZED OR ADMITTED TO TRANSACT PROPERTY AND AUTOMOBILE INSURANCE BUSINESS IN WASHINGTON STATE AND ALL ENTITIES REGULATED BY THE INSURANCE COMMISSIONER

FROM: PATTY KUDERER, INSURANCE COMMISSIONER

RE: PROVIDING RELIEF TO WASHINGTON CONSUMERS FROM 2025 ATMOSPHERIC RIVER AND WINTER WEATHER EVENT BY ADDRESSING GRACE PERIODS FOR NONPAYMENT OF PREMIUM AND TEMPORARILY PROHIBITING CANCELLATION AND NONRENEWAL OF PROPERTY & CASUALTY INSURANCE POLICIES

PURSUANT TO RCW 48.02.060(4), the Insurance Commissioner of the state of Washington (Insurance Commissioner) orders all insurers, insurance producers, surplus line brokers, and other entities regulated by the Insurance Commissioner (hereafter "Regulated Entities"), as follows:

A. Between December 15, 2025, and February 12, 2026, all Regulated Entities transacting any property and automobile insurance business shall provide grace periods of no less than forty-five (45) days for nonpayment of premium and shall waive otherwise applicable charges and fees associated with nonpayment of premium, such as late fees and reinstatement fees.

B. Between December 15, 2025, and February 12, 2026, no property and automobile insurer shall cancel a policy issued for nonpayment of premium, unless specifically directed to do so by the insured.

C. Between December 15, 2025, and February 12, 2026, the 45-day notice period for nonrenewal notices in RCW 48.18.2901 (1)(a)(i) is suspended during the state of emergency. No property and automobile insurer shall issue a notice of nonrenewal less than 120 days before the expiration date of the policy.

BASIS

1. On December 10, 2025, the Governor issued Proclamation 25-07 declaring an emergency related to the December Atmospheric River and Winter Weather Event. The proclamation provides in pertinent part as follows (emphasis added):

I, Bob Ferguson, Governor of the state of Washington, as a result of the above-noted situation and under Chapters 38.52 and 43.06 RCW, do hereby proclaim that a State of Emergency exists throughout the entire state of Washington, and direct that the plans and procedures in the Washington State Comprehensive Emergency Management Plan be implemented. State agencies and departments are directed to utilize state resources in accordance with the Washington State Comprehensive Emergency Management Plan and to do everything reasonably possible to assist affected political subdivisions in an effort to respond to and recover from this extreme weather event.

2. The geographical extent of this emergency order is all areas of the state affected by flooding, landslides, mudslides, bank erosion, or wind damage as a result of the Atmospheric River and Winter Weather Event of December 2025 including, but not limited to, Whatcom County, Skagit County, Snohomish County, King County, and Lewis County.

3. The December 2025 Atmospheric River and Winter Weather Event has harmed or threatened to harm the property, safety and welfare of Washington citizens who have lost homes and other property or whose lives or employment have been otherwise disrupted by the December 2025 Atmospheric River and Winter Weather Event in the state of Washington.

4. RCW 48.02.060 (4)(b) and (c) provides in pertinent part that, when the Governor proclaims a state of emergency under RCW 43.06.010(12), the Insurance Commissioner may issue an order that addresses any or all of the following matters related to insurance policies issued in this state: (b) grace periods for payment of insurance premiums and performance of other duties by insureds; and (c) temporary postponement of cancellations or nonrenewals.

5. RCW 48.02.060(5) provides that an order by the Insurance Commissioner under subsection (4) of this section may remain effective for not more than sixty (60) days unless the Insurance Commissioner extends the termination date for the order for an additional period of not more than thirty (30) days. The Insurance Commissioner may extend the order if, in the Insurance Commissioner's judgment, the circumstances warrant an extension. An order of the Insurance Commissioner under subsection (4) of this section is not effective after the related state of emergency is terminated by proclamation of the Governor under RCW 43.06.210. The order must specify, by line of insurance: (a) the geographic areas in which the order applies, which must be within but may be less extensive than the geographic area specified in the Governor's proclamation of a state of emergency and must be specific according to an appropriate means of delineation, such as the United States postal service zip codes or other appropriate means; and (b) the date on which the order becomes effective and the date on which the order terminates.

6. Emergency action by the Insurance Commissioner is necessary to protect the property, safety and welfare of Washington citizens affected by the December 2025 Atmospheric River and Winter Weather Event in the state of Washington.

ORDER

NOW, THEREFORE, the Insurance Commissioner hereby activates the provisions of RCW 48.02.060 (4)(b) and (c) in order to protect the property, safety and welfare of Washington citizens affected by the December 2025 Atmospheric River and Winter Weather Event in the state of Washington, as set forth above.

This Order shall remain in effect until February 12, 2025, subject to the further order of the Insurance Commissioner extending its effect.

THIS ORDER IS EFFECTIVE IMMEDIATELY AND IS ENTERED at Olympia, Washington, this 15th day of December, 2025.

Patty Kuderer
Insurance Commissioner

OFFICE OF THE
INSURANCE COMMISSIONER
[Filed December 19, 2025, 11:58 a.m.]

EMERGENCY ORDER NO. 25-01

TO: ALL INSURERS AUTHORIZED OR ADMITTED TO TRANSACT PROPERTY AND AUTOMOBILE INSURANCE BUSINESS IN WASHINGTON STATE AND ALL ENTITIES REGULATED BY THE INSURANCE COMMISSIONER

FROM: PATTY KUDERER, INSURANCE COMMISSIONER

RE: PROVIDING RELIEF TO WASHINGTON CONSUMERS FROM 2025 ATMOSPHERIC RIVER AND WINTER WEATHER EVENT BY ADDRESSING GRACE PERIODS FOR NONPAYMENT OF PREMIUM AND TEMPORARILY PROHIBITING CANCELLATION AND NONRENEWAL OF PROPERTY & CASUALTY INSURANCE POLICIES

PURSUANT TO RCW 48.02.060(4), the Insurance Commissioner of the state of Washington (Insurance Commissioner) orders all insurers, insurance producers, surplus line brokers, and other entities regulated by the Insurance Commissioner (hereafter "Regulated Entities"), as follows:

A. Between December 15, 2025, and February 12, 2026, all Regulated Entities transacting any property and automobile insurance business shall provide grace periods of no less than forty-five (45) days for nonpayment of premium and shall waive otherwise applicable charges and fees associated with nonpayment of premium, such as late fees and reinstatement fees.

B. Between December 15, 2025, and February 12, 2026, no property and automobile insurer shall cancel a policy issued for nonpayment of premium, unless specifically directed to do so by the insured.

C. Between December 15, 2025, and February 12, 2026, the 45-day notice period for nonrenewal notices in RCW 48.18.2901 (1)(a)(i) is suspended during the state of emergency. No property and automobile insurer shall issue a notice of nonrenewal less than 120 days before the expiration date of the policy.

BASIS

1. On December 10, 2025, the Governor issued Proclamation 25-07 declaring an emergency related to the December Atmospheric River and Winter Weather Event. The proclamation provides in pertinent part as follows (emphasis added):

I, Bob Ferguson, Governor of the state of Washington, as a result of the above-noted situation and under Chapters 38.52 and 43.06 RCW, do hereby proclaim that a State of Emergency exists throughout the entire state of Washington, and direct that the plans and procedures in the Washington State Comprehensive Emergency Management Plan be implemented. State agencies and departments are directed to utilize state resources in accordance with the Washington State Comprehensive Emergency Management Plan and to do everything reasonably possible to assist affected political subdivisions in an effort to respond to and recover from this extreme weather event.

2. The geographical extent of this emergency order is all areas of the state affected by flooding, landslides, mudslides, bank erosion, or wind damage as a result of the Atmospheric River and Winter Weather Event of December 2025 including, but not limited to, Whatcom County, Skagit County, Snohomish County, King County, and Lewis County.

3. The December 2025 Atmospheric River and Winter Weather Event has harmed or threatened to harm the property, safety and welfare of Washington citizens who have lost homes and other property or whose lives or employment have been otherwise disrupted by the December 2025 Atmospheric River and Winter Weather Event in the state of Washington.

4. RCW 48.02.060 (4)(b) and (c) provides in pertinent part that, when the Governor proclaims a state of emergency under RCW 43.06.010(12), the Insurance Commissioner may issue an order that addresses any or all of the following matters related to insurance policies issued in this state: (b) grace periods for payment of insurance premiums and performance of other duties by insureds; and (c) temporary postponement of cancellations or nonrenewals.

5. RCW 48.02.060(5) provides that an order by the Insurance Commissioner under subsection (4) of this section may remain effective for not more than sixty (60) days unless the Insurance Commissioner extends the termination date for the order for an additional period of not more than thirty (30) days. The Insurance Commissioner may extend the order if, in the Insurance Commissioner's judgment, the circumstances warrant an extension. An order of the Insurance Commissioner under subsection (4) of this section is not effective after the related state of emergency is terminated by proclamation of the Governor under RCW 43.06.210. The order must specify, by line of insurance: (a) the geographic areas in which the order applies, which must be within but may be less extensive than the geographic area specified in the Governor's proclamation of a state of emergency and must be specific according to an appropriate means of delineation, such as the United States postal service zip codes or other appropriate means; and (b) the date on which the order becomes effective and the date on which the order terminates.

6. Emergency action by the Insurance Commissioner is necessary to protect the property, safety and welfare of Washington citizens affected by the December 2025 Atmospheric River and Winter Weather Event in the state of Washington.

ORDER

NOW, THEREFORE, the Insurance Commissioner hereby activates the provisions of RCW 48.02.060 (4)(b) and (c) in order to protect the property, safety and welfare of Washington citizens affected by the December 2025 Atmospheric River and Winter Weather Event in the state of Washington, as set forth above.

This Order shall remain in effect until February 12, 2026, subject to the further order of the Insurance Commissioner extending its effect.

THIS ORDER IS EFFECTIVE IMMEDIATELY AND IS ENTERED at Olympia, Washington, this 15th day of December, 2025.

Patty Kuderer
Insurance Commissioner

HEALTH CARE AUTHORITY
[Filed December 22, 2025, 1:27 p.m.]

NOTICE

Subject: Medicaid Waiver Applications under Section 1915(c) for the Department of Social and Health Services and the Application of an Appendix K Waiver Authority.

Effective Date: December 23, 2025 (sooner if allowed by the Centers for Medicare and Medicaid Services (CMS)).

Description: The health care authority (HCA) and the department of social and health services (DSHS) intend to submit a 1915(c) Appendix K waiver to implement policies and procedures that may be different from the policies and procedures otherwise applied under the 1915(c) home and community-based services waiver during the period of Governor Ferguson's emergency declarations related to the historic flooding occurring across Washington.

The 1915(c) Appendix K waiver is the preprint developed by CMS to waive or modify certain requirements of section 1915(c) home and community-based services during certain emergencies to ensure that sufficient health care items, services, and staffing are available to meet the needs of individuals enrolled in the program and to ensure that health care providers that furnish such items and services in good faith, but are unable to comply with one or more of such requirements as a result of the flooding, may be reimbursed for such items and services and exempted from sanctions for such noncompliance, absent any determination of fraud or abuse.

The 1915(c) Appendix K waiver allows HCA and DSHS various flexibilities in 1915(c) programs, including the ability to take temporary actions such as:

- Make retainer payments to address emergency related issues.
- Exceed service limits or requirements for amount, duration, and prior authorization to address health and welfare issues presented by the emergency situation.
- Modify services to the waiver or expand settings where services may be provided to address the emergency situation.
- Modify provider qualification or certification requirements.
- Modify processes for level of care evaluations or person-centered service plan development.

At this time, HCA and DSHS have insufficient data upon which to base an estimate of the effect of the 1915(c) Appendix K waiver on annual aggregate expenditures/reimbursement/payment.

The 1915(c) Appendix K waiver is in the development process; therefore, a copy is not yet available for review. HCA and DSHS would appreciate any input or concerns regarding this 1915(c) Appendix K waiver. To request a copy when it becomes available or submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

Title or Subject: Medicaid State Plan Amendment (SPA) 26-0003 Rural Emergency Hospitals.

Effective Date: January 1, 2026.

Description: The health care authority (HCA) intends to submit SPA 26-0003 to add information regarding rural emergency hospitals (REH). REHs, as defined in 42 C.F.R. 485.502, do not provide inpatient care; they provide emergency department services, observation care, and other outpatient medical and health services and the per patient average length of stay does not exceed 24 hours.

At this time, Washington does not have any hospitals that are federally recognized as REHs. However, HCA is submitting SPA 26-0003, anticipating that one or more hospitals may be designated as REHs in the future.

SPA 26-0003 is expected to have no effect on current annual aggregate expenditures/payments.

HCA is in the process of developing the SPA. HCA would appreciate any input or concerns regarding this SPA. To request a copy of the SPA when it becomes available or submit comments, you may contact the person named below by January 20, 2026 (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

Contact Abby Cole, Hospital Rates, 626 8th Avenue S.E., Olympia, WA 98504, TRS 711, email abby.cole@hca.wa.gov.

DEPARTMENT OF ECOLOGY
[Filed December 23, 2025, 5:20 p.m.]

CORRECTION:

Washington's Underground Storage Tank (UST) Program: Tank Fee Increase in 2026

Washington's underground storage tank fees will increase on July 1, 2026, from $243.21 to ~~273.43~~ $258.80 per tank.

The UST fee increase previously announced by the department of ecology (ecology) was inaccurately calculated. This announcement corrects the error that was posted in WSR 25-05-045.

As required by law, the fiscal growth factor was used to determine the amount of fee increase. The fiscal growth factor is calculated and adopted by the economic and revenue forecast council using the average growth in state personal income for the previous 10 fiscal years.

More information on the UST fee increase can be found on ecology's UST program web page, https://ecology.wa.gov/Spills-Cleanup/Contamination-cleanup/Underground-storage-tanks.
