NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 22-0022 and Children's Health Insurance Program (CHIP) SPA 26-2000 Gender-Related Care.

Effective Date: October 13, 2026.

Description: On August 13, 2026, the federal Centers for Medicare and Medicaid Services (CMS) issued final rule 42 C.F.R. Parts 441 and 457 requiring medicaid and CHIP state plans to provide that the medicaid agency will not make payment under the state plans for certain sex-rejecting procedures (e.g., certain surgical and hormonal interventions). This applies to children under age 18 who receive services under the medicaid state plan and to children under age 19 who receive services under the CHIP state plan. The final rule prohibits the use of federal medicaid funds to fund such procedures.

CMS is developing templates for states to use when submitting SPAs to comply with 42 C.F.R. Parts 441 and 557. HCA intends to submit medicaid SPA 26-0022 and CHIP SPA 26-2000 to comply with the final rule when the templates become available.

Washington state will no longer cover these services under medicaid funding, but will continue to cover these services using state-only (nonmedicaid) funds. Therefore, these SPAs are expected to have no impact on the annual aggregate reimbursement for outpatient, inpatient, pharmacy, or professional services.

Because the CMS template is under development, drafts of SPAs 26-0022 and 26-2000 are not yet available for review. HCA would appreciate any input or concerns regarding these SPAs. To request a copy of either draft SPA when they become available or submit comments, please contact the people named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

Contact: Abby Cole (Medicaid SPA 26-0022) or Ariel Pyrtek (CHIP SPA 26-2000), Hospital Finance/Eligibility, P.O. Box 45501, Olympia, WA 98504, phone 360-725-1835 or 360-725-1343, TRS 711, email abby.cole@hca.wa.gov or ariel.pyrtek@hca.wa.gov.

OFFICE OF THE
INSURANCE COMMISSIONER
[Filed October 12, 2026, 11:31 a.m.]

Technical Assistance Advisory 2026-01[1]

[1] This advisory is an interpretive policy statement released to advise the public of the office of the insurance commissioner's current opinions, approaches, and likely courses of action. It is advisory only. RCW 34.05.230(1).

TO: Property and Casualty Insurers Doing Business in Washington State.

FROM: Insurance Commissioner, Patty Kuderer.

DATE: October 12, 2026.

RE: Price Optimization.

The purpose of this technical assistance advisory (TAA) is to reaffirm guidance the agency issued in 2015 addressing the practice of price optimization. That guidance noted that to the extent price optimization results in premiums, rates, or rating factors unrelated to cost and risk, it is unfairly discriminatory under Washington state law governing permissible rates.

In general, the practice of price optimization involves an insurer's use of statistical analysis, often using noninsurance data, to estimate an insured's sensitivity to price, and base the insured's premium on their estimated price sensitivity, when there is no relation to expected costs.

One example is using statistical analysis of consumer behavior to determine the premium an insured would be willing to pay at renewal before they shop for a new policy. This practice can result in two insureds receiving different premium increases, even though they have the same expected costs and risk profile. It can also result in increased premiums for insureds who keep their business with the same insurer; in other words, a loyalty penalty.

Washington state law requires that premium rates for insurance are not excessive, inadequate, or unfairly discriminatory (RCW 48.19.020). A rate is reasonable and not excessive, inadequate, or unfairly discriminatory if it is an actuarially sound estimate of the expected value of all future costs associated with an individual risk transfer (WAC 284-24-065(1)). Thus, an insured's premium must be based on cost associated with risk.

Charging different premiums to insureds based on their expected price sensitivity does not reflect a genuine difference in expected cost incurred by the insurer based on increased risk for these insureds. This practice is considered by the insurance commissioner to be unfairly discriminatory and in violation of Washington state law. Rates that are unlawfully discriminatory will not be approved.

Please direct any questions about this advisory to the rates, forms, and provider networks help desk, at rfhelpdesk@oic.wa.gov, or 360-725-7111.

Title or Subject: Medicaid State Plan Amendment (SPA) 26-0020 Implementation of Section 71109 of the Working Families Tax Cut (WFTC) Legislation, P.L. 119-21.

Effective Date: October 1, 2026.

Description: The health care authority (HCA) intends to submit SPA 26-0020 to amend citizenship and immigration eligibility criteria for medicaid eligibility, as required in Section 71109 of the WFTC legislation.

Effective October 1, 2026, eligibility for medicaid is limited to United States (U.S.) citizens and U.S. nationals, lawful permanent residents who have met or are exempt from the five-year bar, Cuban/Haitian entrants, and compact of free association migrants. However, HCA maintains coverage for lawfully present children, pregnant individuals, and individuals within 12 months postpartum under the Children's Health Insurance Program Reauthorization Act 214 option.

HCA anticipates the medicaid SPAs to be effective October 1, 2026.

Medicaid SPA 26-0020 addresses eligibility and is therefore expected to have no effect on annual aggregate expenditures/reimbursement/payments.
