

**WSR 22-17-112
WITHDRAWAL OF
PREPROPOSAL STATEMENT OF INQUIRY
STATE BOARD OF HEALTH**

[Filed August 22, 2022, 8:07 a.m.]

This memo serves as notice that the Washington state board of health (board) is withdrawing the CR-101 for on-site sewage system drainfield remediation technologies, which was filed June 7, 2006, and published in WSR 06-12-108.

The board is withdrawing this CR-101 because the regulation of on-site sewage system drainfield remediation technologies is being addressed in the permanent rule making for chapter 246-272A WAC, On-site sewage systems, that is currently underway. The CR-101 for that rule making was filed as WSR 18-06-082 on March 6, 2018.

Individuals requiring information on this rule making should contact Stuart Glasoe at stuart.glasoe@sboh.wa.gov or 360-236-4111.
