POLICY STATEMENT

DEPARTMENT OF HEALTH

(Veterinary Board of Governors)

[Filed May 12, 2023, 2:45 p.m.]

This memo serves as notice that the veterinary board of governors (board) is rescinding policy statement VBOG 20.01.01 Continuing Education Requirements During the COVID-19 Response, filed on November 15, 2021, as WSR 21-23-074.

The board is rescinding this policy statement as the state of emergency ended on October 31, 2022. The policy was effective for the duration of the coronavirus disease 2019 (COVID-19) declared state of emergency through 90 days following the end of the emergency, which was January 31, 2023. The board determined there is no longer a concern with veterinarians and veterinary technicians' access to acceptable continuing education. The board officially rescinded the policy statement at its March 6, 2023, business meeting.

Individuals requiring information on this rule should contact Lorelei Walker, program manager, at 360-236-4947.
