CENTER FOR DEAF AND
HARD OF HEARING YOUTH

[Filed January 27, 2025, 3:16 p.m.]

The center for deaf and hard of hearing youth (CDHY) is withdrawing the proposed rules filed on December 18, 2024, under WSR 25-01-150, for proposed WAC 148-108-100.

CDHY plans to refile the proposed rule for Practice and procedure (WAC 148-108-100) and the proposed rules for Student conduct code (chapter 148-120 WAC) without the proposed Supplemental sex discrimination student conduct code and procedures for cases involving allegations of violation of Title IX (proposed WAC 148-120-900 through 148-120-970). After the proposed rules are refiled, CDHY plans to hold a rule-making hearing for the proposed revisions to both chapter 148-120 WAC, Student conduct code, and WAC 148-108-100 Practice and procedure.
