WITHDRAWAL OF PROPOSED RULES
WASHINGTON STATE
SCHOOL FOR THE BLIND

[Filed January 28, 2025, 1:46 p.m.]

The Washington state school for the blind (WSSB) is withdrawing the proposed rules filed on January 10, 2025, under WSR 25-03-051, for proposed WAC 72-108-100.

WSSB plans to refile the proposed rule for Practice and procedure (WAC 72-108-100) and the proposed rules for Student conduct code (chapter 172-120 WAC) without the proposed Supplemental student conduct procedures for cases involving allegations of violation of Title IX (proposed WAC 72-120-900 through 72-120-970). After the proposed rules are refiled, WSSB plans to hold a rule-making hearing for the proposed revisions to both chapter 72-120 WAC, Student conduct code, and WAC 72-108-100 Practice and procedure.
