In accordance with the Open Public Meetings Act (chapter 42.30 RCW), the following is the schedule of regular meetings for the Washington state environmental justice council (council) for 2025. The council's meetings are open to the public. Community access to the meetings and language justice are priorities for the council. Members of the public can contact staff (see below) to request language interpreters at meetings, translated meeting materials, or accommodations to improve the accessibility of council meetings and materials.

Agendas for the meetings listed below are made available in advance via listserv and the council's website (see below). Every attempt is made to ensure that the agenda is up-to-date. However, the council reserves the right to change or amend agendas at the meeting.
