**EMERGENCY RULES**  
**DEPARTMENT OF**  
**FISH AND WILDLIFE**

[Order 25-28—Filed February 19, 2025, 5:06 p.m., effective February 22, 2025]

Effective Date of Rule: February 22, 2025.

Purpose: This emergency rule opens two recreational sturgeon retention days in The Dalles Pool.

Citation of Rules Affected by this Order: Repealing WAC 220-312-06000E; and amending WAC 220-312-060.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This rule opens two recreational sturgeon retention days in The Dalles Pool and maintains the previously adopted Bonneville Pool recreational sturgeon retention closure. There are 111 fish remaining on the harvest guideline and projections indicate this fishery can support two additional days of retention. These populations are managed under sustainable harvest guidelines. This action is consistent with decisions made by the states of Washington and Oregon during the Columbia River compact hearing on February 19, 2025. There is insufficient time to adopt permanent rules.
