This memo serves as notice that the department of health (department) is withdrawing the CR-101 to consider adding a new section to chapter 246-12 WAC regarding closure of incomplete applications for a health care credential. The CR-101 was filed on April 28, 2017, and published in WSR 17-10-045.

The department is withdrawing this CR-101 in order to consider a new rules project that may include up-to-date processes and procedures used by the department's office of customer service and the office of health professions.

Individuals requiring information on this rule should contact deputy director, Josh Shipe, at 360-236-4772.
