The December meeting is exclusively for the planning for the commission's 2026 priorities. There will be no requested actions, awards, or public testimonies.

Regular meetings run from 9:00 a.m. to 5:00 p.m. and include an opportunity for public comment.

The commission typically meets in a work session from 9:00 a.m. to 5:00 p.m. the day prior to the regular meeting in the same location or at a location near the regular meeting location. Work sessions are educational sessions on park operations and issues that eventually may go before the commission.

The public is welcome to attend all commission meetings. Meeting sites will be barrier free to the greatest extent feasible. The commission will provide Braille or taped agenda items for the visually impaired and interpreters for those with hearing impairments if a request is received at the appropriate address shown above at least 10 working days in advance of the scheduled meeting date.

A recording is retained by the commission as the formal record of the meeting. The recording is accessible on the commission's website approximately one week after the meeting at <https://www.parks.wa.gov/154/Commission-meetings-agendas>.
