Requests for public records of the college may be addressed to the public records officer at the address given in WAC 132K-276-030. The college encourages, but does not require, requestors to use the public records request form made available by the public records office on the college website. Requests made orally, whether by phone or in person, may be confirmed in writing by the public records officer.

(2) Contents of records requests. A request for public records must include the following information:

(3) Lists of individuals for commercial purposes. State agencies and institutions are not permitted to provide lists of individuals for commercial purposes. A request for lists of individuals must be accompanied by the requestor's signed declaration that the list will not be used for commercial purposes. The public records officer may inquire as to the requestor's intended use of the list and may deny the request if it is evident from the request that the list will be used for a commercial purpose.

(4) Assistance in identifying records. The public records officer may assist requestors in identifying the specific records sought by the requestor. AMENDATORY SECTION (Amending Order 18, filed 5/11/73)

**WAC 132K-276-090 ((Copying.)) Costs of providing public records.**

((No fee shall be charged for the inspection of public records. The district shall charge a fee of 10¢ per page of copy for providing copies of public records and for use of the district's copy equipment. This charge is the amount necessary to reimburse the district for its actual costs incident to such copying. If a particular request for copies requires an unusually large amount of time, or the use of any equipment not readily available, the district will provide copies at a rate sufficient to cover any additional cost. All fees must be paid by money order, cashier's check or cash in advance.)) (1) Costs for public records. There is no fee for inspecting public records. The following fees apply to copies of public records:

(a) Ten cents per page for records scanned into electronic format;

(b) Five cents for every four electronic files or attachments uploaded to an email, cloud storage service, or other electronic delivery system;

(c) Ten cents per gigabyte for transmitting records electronically;

(d) Fifteen cents per page for photocopies of public records and/or printed copies of electronic public records when requested;

(e) The actual cost of any digital storage media or device provided by the agency, the actual cost of any container or envelope used to mail the copies to the requestor, and the actual postage or delivery charge.

(2) Payment. Payment may be made by credit or debit card, cash, check, or money order to the college. For payments made by credit or debit card, a service fee equivalent to the cost of processing the payment is charged.

(a) All required fees must be paid in advance of the copies or an installment of copies, or in advance of when a deposit is required. The college notifies the requestor of when payment is due.

(b) The college closes a request when a requestor fails to pay in the manner prescribed for records, an installment of records, or a required deposit by the payment date.

(3) Pursuant to RCW 42.56.120(2), the college declares that it would be unduly burdensome for it to calculate the actual costs it charges for providing copies of public records for the following reasons:

(a) Funds were not allocated for performing a study to calculate such actual costs and the agency lacks the necessary funds to perform a study and calculations;

(b) Staff resources are insufficient to perform a study and to calculate such actual costs; and

(c) A study would interfere with and disrupt other essential agency functions.

The college's public records office publishes a schedule of fees on the college's website consistent with this rule. The college reserves the right to change its fees as allowed by RCW 42.56.120.

AMENDATORY SECTION (Amending Order 18, filed 5/11/73)

**WAC 132K-276-100 Exemptions.** (~~((1) The district reserves the right to determine that a public record requested in accordance with the procedures outlined in WAC 132K-276-080 is exempt under the provisions of section 31, chapter 1, Laws of 1973.~~

~~(2) In addition, pursuant to section 26, chapter 1, Laws of 1973, the district reserves the right to delete identifying details when it makes available or publishes any public records, in any cases when there is reason to believe that disclosure of such details would be an invasion of personal privacy protected by chapter 1, Laws of 1973. The public records officer will fully justify such deletion in writing. (See also, board of trustees Resolution No. 72-32, 7-10-72)~~

~~(3) All denials of requests for public records must be accompanied by a written statement specifying the reason for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.)~~ (1) The Public Records Act provides that a number of types of records are exempt from public inspection and copying. In addition, records are exempt from disclosure if any "other statute" exempts or prohibits disclosure. Requestors should be aware of the following exemptions, outside the Public Records Act, that restrict the availability of some records held by the college for inspection and copying. This is not an exhaustive list as numerous ex-

emptions exist outside the act. The college's failure to list an exemption here does not affect the efficacy of any exemption.

(a) RCW 5.60.060 - Privileged communications;

(b) 20 U.S.C. 1232g - Family Education Rights and Privacy Act (FERPA);

(c) 42 U.S.C. 405 (c)(2)(vii)(1) - Social Security numbers;

The president or his designee shall immediately consider the matter and either affirm or reverse such denial or consult with the attorney general to review the denial. In any case, the request shall be returned with a final decision, within two business days following the original denial.~~

~~(3) Administrative remedies shall not be considered exhausted until the district has returned the petition with a decision or until the close of the second business day following denial of inspection, whichever occurs first.)~~ (1) Petition for internal administrative review of denial of access. (2) Consideration of petition for review. The public records officer immediately refers the petition to their supervisor, or a designee in the supervisor's absence, who considers the petition and either affirms or reverses such denial within three business days following the college's receipt of the petition, or within such other time as the college and the requestor mutually agree.

(3) Review by the attorney general's office. Pursuant to RCW 42.56.530, if the college denies a requestor access to public records because it claims the record is exempt in whole or in part from disclosure, the requestor may request the attorney general's office review the matter. The attorney general has adopted rules on such requests in WAC 44-06-160.

(4) Judicial review. Any person may request court review of denials of public records requests pursuant to RCW 42.56.550 at the con-

clusion of three business days after the initial denial regardless of any internal administrative appeal.
