PREPROPOSAL STATEMENT OF INQUIRY  
HEALTH CARE AUTHORITY

[Filed March 5, 2025, 8:54 a.m.]

Subject of Possible Rule Making: Rules to be added under new chapter 182-565 WAC related to the health-related social needs (HRSN) program; other related rules as appropriate.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 41.05.021 and 41.05.160.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The health care authority (agency) is developing rules to implement housing transition navigation services provided through the Washington HRSN services program. Under the Washington state Section 1115 medicaid demonstration waiver, the HRSN services program allows qualifying medicaid enrollees to receive evidence-based, nonmedical services to address unmet, adverse social conditions that contribute to poor health. The housing transition navigation services program provides short-term assistance to remove barriers in order to obtain or maintain affordable housing. During this review, the agency may identify additional related changes that improve clarity or update policy.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: Centers for Medicare and Medicaid Services.

Process for Developing New Rule: The agency welcomes the public to take part in developing this rule. If interested, contact the person identified below to receive an early rule draft to review. After the early review, the agency will send a notice of proposed rule making (CR-102) to everyone receiving this notice and anyone who requests a copy.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Melinda Froud, Rule-making Questions, P.O.
