EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE**

[Order 25-42—Filed March 13, 2025, 9:04 a.m., effective March 13, 2025, 9:04 a.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: The purpose of this emergency rule is to amend commercial crab fishing regulations in Puget Sound:

WAC 220-340-45500X closes Region 3-2 on March 17, 2025; and WAC 220-340-47000U eliminates pot limits in closed areas and maintains pot limits in open areas.

Citation of Rules Affected by this Order: Repealing WAC 220-340-45500W and 220-340-47000T; and amending WAC 220-340-455 and 220-340-470.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: Commercial harvest in Region 3-2 will close on March 17, 2025, due to the projected attainment of available share. There is sufficient allocation remaining to allow continued harvest in Puget Sound commercial crab fisheries in Region 3-3 until further notice. These provisions are in conformity with agreed management plans with applicable tribes. Comanagement plans are entered into as required by court order. The Puget Sound commercial season is structured to meet harvest allocation objectives negotiated with applicable treaty tribes and outlined in the management plans. Further adjustments of the season structure may be made pending updated harvest data.

There is insufficient time to adopt permanent rules.
