ATTORNEY GENERAL'S OFFICE**

**NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION  
WASHINGTON ATTORNEY GENERAL**

The Washington attorney general routinely publishes notice of an opportunity to comment for opinion requests that we receive from the heads of state agencies, state legislators, and county prosecuting attorneys if we anticipate publishing a formal opinion in response to the request. We do so in order to provide members of the public with a chance to provide any legal analysis that they would like us to consider as we develop our opinion. In preparing any comments, please be aware that our opinion will provide our considered legal analysis of the question presented, and therefore comments that address the interpretation of the law are more helpful than comments that express an opinion as to what the law should be.

You may provide your comments to the attorney general's office by email to [OpinionComments@atg.wa.gov](mailto:OpinionComments@atg.wa.gov) or by writing to the Office of the Attorney General, Solicitor General Division, Attention Opinions Chief, P.O. Box 40100, Olympia, WA 98504-0100. We will consider any comments we receive before we complete our opinion. Although there is no deadline for submitting comments, comments are the most helpful if received within 30 days of this notice. You may also request a copy of the opinion request in which you are interested and information about the attorney general's opinion process.

The attorney general's office seeks public input on the following opinion request(s):

**Opinion Docket No. 25-04-01

Skagit County Prosecuting Attorney's Office**

**QUESTION:**

Whether a nonprofit association operating a community water system qualifies as a "public facility" under RCW 82.14.370 where the association is open to all property owners in the designated service area and its members include a public school and fire department?
