POLICY STATEMENT
DEPARTMENT OF HEALTH
[Filed January 27, 2026, 2:46 p.m.]

This memo serves as notice that the department of health (department) is rescinding a policy statement titled "Adequacy Responses for Group A Water Systems," filed May 15, 1997, and published as WSR 97-11-037.

This statement set a standardized process for responding to water system adequacy status requests, based on operating permit categories. The department is rescinding this policy due to the adopted changes to WAC 246-294-040 for operating permit categories. Consequently, this policy statement is no longer necessary.

Individuals requiring additional information on this should contact Mike Means, water quality, policy, and certification manager for the office of drinking water, at mike.means@doh.wa.gov.
