POLICY STATEMENT
DEPARTMENT OF HEALTH
[Filed January 27, 2026, 3:08 p.m.]

This memo serves as notice that the department of health (department) is rescinding a policy statement titled "Sewage Disposal Guidelines for Vessels," filed March 24, 1999, and published as WSR 99-07-119.

This policy statement specified procedures for sewage disposal that commercial shellfish operations must follow when operating a vessel in a shellfish harvesting area. The department is rescinding this policy because it is outdated and does not reflect current business practices.

Individuals requiring additional information on this should contact Todd Phillips, director of the office of environmental health and safety, at todd.phillips@doh.wa.gov.
