ENTERPRISE SERVICES

[Filed January 30, 2026, 8:43 a.m.]

The following is the department of enterprise services' (DES) updated semi-annual rules development agenda. This list includes rules that we have under development, and rules that DES expects to start rule-making action on during the next six months.

The agenda is also available on our rule-making website. We update rule-making information on our website as rule making progresses. If we start any activities not listed on this agenda or stop any currently listed activities, we post those changes to our rule-making website and inform interested and known affected parties.

Let us know if you have any questions about this agenda by emailing Rules@des.wa.gov.

Semi-Annual Rule-Making Agenda
January 1 - June 30, 2026

WAC Citation	Purpose of Rule Making	Current Activity/ Anticipated Filing
Title 200	The rule making is limited in scope. The purpose is to expand Title 200 WAC to: • Establish a clear process to verify that benefits are going to small businesses as intended, including a standard compliance process. • Make sure in-state businesses have increased opportunities for contracts under statewide procurement policies. • Support existing strategies encouraged by the statewide supplier diversity policy, such as preference points and reserved awards, to boost use of Washington small business. º DES uses a point system when evaluating vendor solicitations. Preference points are added points for small businesses. º Reserved awards are contracts set aside for small/veteran-owned businesses under a multiple-award competitive solicitation. • Enhance reporting on small business use in state contracting.	Filed a CR-101 preproposal statement of inquiry with the office of the code reviser in December 2024. See WSR 25-01-17. Continuing to review informal feedback and legal requirements as we develop the proposed rule.
