EXPEDITED RULES

HEALTH CARE AUTHORITY

[Filed February 11, 2026, 8:46 a.m.]

Title of Rule and Other Identifying Information: WAC 182-513-1405 Definitions, 182-513-1410 LTC partnership policy qualifications, and 182-513-1420 Eligibility for asset protection under a partnership policy.

Purpose of the Proposal and Its Anticipated Effects, Including Any Changes in Existing Rules: Amend health care authority (HCA) rules related to long-term care insurance policies by adding a reference to Washington state office of insurance commissioner (OIC) rules on the same subject matter.

Reasons Supporting Proposal: ESSB 5291 (chapter 380, Laws of 2025) was signed into law on May 20, 2025. The bill created a new chapter 48.212 RCW concerning supplemental long-term care insurance. Supplemental long-term care insurance is a new product designed to provide coverage once WA Cares benefits under chapter 50B.04 RCW have been exhausted. OIC added new chapter 284-212 WAC (WSR 26-05-001) to implement the new law and to ensure all affected parties understand their rights and obligations. HCA is amending its long-term care partnership rules to add a cross-reference to the new OIC rules.

Statutory Authority for Adoption: RCW 41.05.021 and 41.05.160.

Statute Being Implemented: RCW 41.05.021 and 41.05.160.

Rule is not necessitated by federal law, federal or state court decision.

Name of Proponent: HCA, governmental.

Name of Agency Personnel Responsible for Drafting: Brian Jensen, P.O. Box 42716, Olympia, WA 98504-2716, 360-725-0815; Implementation and Enforcement: Paige Lewis, P.O. Box 42722, Olympia, WA 98504-2722, 360-725-0757.

This notice meets the following criteria to use the expedited adoption process for these rules:

Adopts or incorporates by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of statewide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule.

Explanation of the Reason the Agency Believes the Expedited Rule-Making Process is Appropriate: Expedited rule making is appropriate because the rule amendments add an additional cross-reference to OIC rules.

NOTICE

THIS RULE IS BEING PROPOSED UNDER AN EXPEDITED RULE-MAKING PROCESS THAT WILL ELIMINATE THE NEED FOR THE AGENCY TO HOLD PUBLIC HEARINGS, PREPARE A SMALL BUSINESS ECONOMIC IMPACT STATEMENT, OR PROVIDE RESPONSES TO THE CRITERIA FOR A SIGNIFICANT LEGISLATIVE RULE. IF YOU OBJECT TO THIS USE OF THE EXPEDITED RULE-MAKING PROCESS, YOU MUST EXPRESS YOUR OBJECTIONS IN WRITING AND THEY MUST BE SENT TO Wendy Barcus, Rules Coordinator, HCA, P.O. Box 42716, Olympia, WA 98504-2716, phone 360-725-1306, fax 360-586-9727, email arc@hca.wa.gov, BEGINNING

WAC 182-513-1405 Definitions. For purposes of WAC 182-513-1400 through 182-513-1455, the following terms have the meanings stated. See chapter 182-500 WAC and WAC 182-513-1100 for additional definitions.

"Issuer" means any entity that delivers, issues for delivery, or provides coverage to, a resident of Washington, any policy that claims to provide asset protection under the Washington long-term care partnership act, chapter 48.85 RCW. As used in this chapter, issuer specifically includes insurance companies, fraternal benefit societies, health care service contractors, and health maintenance organizations.

"Long-term care (LTC) insurance" means a policy under chapter 284-83 or 284-212 WAC.

"Protected assets" means assets that are designated as excluded or not taken into account upon determination of long-term care medic-aid eligibility under WAC 182-513-1315. The protected or excluded amount is up to the dollar amount of benefits that have been paid for long-term care services by the qualifying long-term care partnership policy on the medicaid applicant's or client's behalf. The assets are also protected or excluded for the purposes of estate recovery under chapter 182-527 WAC, up to the amount of benefits paid by the qualifying policy for medical and long-term care services.

"Qualified long-term care insurance partnership" means an agreement between the Centers for Medicare and Medicaid Services (CMS), and the health care authority (HCA) which allows for the disregard of any assets or resources in an amount equal to the insurance benefit payments that are made to or on behalf of a person who is a beneficiary under a long-term care insurance policy that has been determined by the Washington state insurance commission to meet the requirements of section 1917 (b) (1) (c) (iii) of the act. These policies are described in chapter 284-83 WAC.

"Reciprocity agreement" means an agreement between states approved under section 6021(b) of the Deficit Reduction Act of 2005, Public Law 109-171 (DRA) under which the states agree to provide the same asset protections for qualified partnership policies purchased by a person while residing in another state and that state has a reciprocity agreement with the state of Washington.

AMENDATORY SECTION (Amending WSR 17-03-116, filed 1/17/17, effective 2/17/17)

WAC 182-513-1410 LTC partnership policy qualifications. A LTC partnership policy is a LTC policy that has been approved by the office of insurance commissioner as a LTC partnership policy described in chapter 284-83 or 284-212 WAC.

AMENDATORY SECTION (Amending WSR 17-03-116, filed 1/17/17, effective 2/17/17)

WAC 182-513-1420 Eligibility for asset protection under a partnership policy. (1) The LTC partnership policy must meet all the requirements in chapter 284-83 or 284-212 WAC. For existing LTC policies which are converted to a LTC partnership policy via an exchange or through the addition of a policy rider or endorsement, the conversion must take place on or after December 1, 2011 unless the policy is paying out benefits at the time the policy is exchanged.

(2) You meet all applicable eligible requirements for LTC medic-aid and:

(a) Your LTC partnership policy benefits have been exhausted and you are in need of LTC services.

(b) Your LTC partnership policy is not exhausted and is:

(i) Covering all costs in a medical institution and you are still in need for medicaid; or

(ii) Covering a portion of the LTC costs under your LTC partnership policy but does not meet all of your LTC needs.

(c) At the time of your LTC partnership policy has paid out more benefits than you have designated as protected. In this situation your estate can designate additional assets to be excluded from the estate recovery process up to the dollar amount the LTC partnership policy has paid out.
