Notice of Adoption - Policy Statement

Title: Processing Applications for Licensure When a Prior Washington License Has Expired and the Nurse Holds an Active Multistate License in Another State, POL-01-26.

Issuing Entity: Washington state board of nursing.

Subject Matter: Clarifying the process for licensure applications for nurses who have an expired Washington single-state license but hold an active multistate license from another nurse licensure compact state and are establishing Washington as their primary state of residence.

Effective Date: March 13, 2026.

Contact Person: Amber Bielaski, director of licensing, Washington state board of nursing, phone 360-236-4785, email Amber.Bielaski@doh.wa.gov.
