Evidence of continuous enrollment in a qualified coverage is ((~~waived~~)) not required while a subscriber enrolled in medicare lives outside of the United States((~~:~~

~~(i) During the PEBB annual open enrollment period. The required forms must be received by the PEBB program no later than the last day of the open enrollment period. PEBB health plan coverage begins January 1st of the following year; or~~

~~(ii) When the subscriber permanently moved back to the United States. The required forms and proof of enrollment in medicare Parts A and B must be received by the PEBB program no later than 60 days after the date of the permanent move or the date the subscriber provides notification of such move, whichever is later. PEBB health plan coverage begins the first day of the month after the permanent move or the date the subscriber provides notification of such move, whichever is later~~)).

Note: Enrollment in the PEBB program's MA plan, MA-PD plan, or the UMP Classic medicare plan may not be retroactive.

(1) If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins.

(2) If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional coverage as designated by the director or designee during the gap month(s) prior to when the MA-PD coverage begins.

(3) If a subscriber elects to enroll in the UMP Classic medicare plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional UMP coverage during the gap month(s) prior to when the UMP Classic medicare plan begins.

(7) A subscriber described in subsection (1) of this section who ((~~defers~~)) deferred enrollment as described in subsection (3)(a) through ((~~(f)~~)) (g) of this section may later enroll themselves and their dependents in a PEBB health plan if they receive formal notice that the authority has determined it is more cost-effective to enroll them or their eligible dependents in PEBB medical than a medical assistance program.

(8) If a subscriber elects to enroll a dependent in PEBB health plan coverage as described in subsection (6) or (7) of this section, the dependent must be enrolled in the same PEBB medical and PEBB dental plan as the subscriber.

Exceptions: (1) If a subscriber selects a medicare supplement plan, a MA-PD plan, or the UMP Classic medicare plan, nonmedicare enrollees will be enrolled in the UMP Classic. If a subscriber selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

(2) If a subscriber selects a medicare supplement plan, MA-PD plan, or any other medicare plan, they may elect a PEBB vision plan available for any nonmedicare enrollees.

(9) A nonmedicare subscriber must enroll in PEBB medical to be able to enroll in PEBB dental, in PEBB vision, or in both PEBB dental and PEBB vision. Any nonmedicare dependents they elect to enroll must be enrolled in the same PEBB medical, PEBB dental, and PEBB vision plan.

(10) An enrolled retiree or a survivor who requests to voluntarily terminate their enrollment in PEBB retiree insurance coverage must do so in writing. The written termination request must be received by the PEBB program. A retiree or a survivor who voluntarily terminates their enrollment in a PEBB health plan also terminates enrollment for all eligible dependents. Once coverage is terminated, a retiree or a survivor may not enroll again in the future unless they reestablish eligibility for PEBB insurance coverage by becoming newly eligible. Enrollment in a PEBB health plan will terminate on the last day of the month in which the PEBB program receives the termination request. If

the termination request is received on the first day of the month, enrollment will terminate on the last day of the previous month.

Exception: When a subscriber or their dependent is enrolled in a MA plan, a MA-PD plan, or the UMP Classic medicare plan, the enrollment will terminate on the last day of the month when the plan disenrollment form is received.

(11) The PEBB program will automatically defer PEBB retiree insurance coverage for the following individuals:

(a) When a retiree or a survivor becomes eligible for the employer contribution toward PEBB or SEBB benefits, PEBB retiree insurance coverage will be automatically deferred. The subscriber will be exempt from the deferral form requirement.

Note: When the subscriber is no longer eligible for the employer contribution toward PEBB or SEBB benefits, they may enroll in PEBB retiree insurance coverage as described in WAC 182-12-171, 182-12-180, or subsection (6)(a)(ii) of this section, or continue in a deferred status if they meet the requirements described in WAC 182-12-200 or this section.

(b) Beginning January 30, 2025, retirees and survivors who are not on medicare and enrolled in PEBB retiree insurance coverage and permanently ((~~live~~)) reside outside of the United States, become eligible for medicare Parts A and B, and do not respond to HCA within the required time frame, will be automatically deferred from PEBB retiree insurance coverage. These subscribers will be exempt from the deferral form requirement. They may enroll in PEBB retiree insurance coverage when they return to the United States as described in subsection (6)(f) of this section or continue in a deferred status if they meet the requirements described in WAC 182-12-200 or subsection (3)(a) through (e) of this section.

(c) Beginning January 1, 2026, when a retiree or a survivor must be disenrolled by a MA plan, MA-PD plan, or a medicare Part D plan as required by federal law, due to permanently residing outside of the United States or due to a temporary absence from the United States that exceeds the permitted time allowed under the federal regulations and guidance of CMS, PEBB retiree insurance coverage will be automatically deferred. The subscriber will be exempt from the deferral form requirement. They may enroll in PEBB retiree insurance coverage when they return to the United States as described in subsection (6)(f) of this section or continue in a deferred status if they meet the requirements described in WAC 182-12-200 or subsection (3)(a) through (e) of this section.

AMENDATORY SECTION (Amending WSR 25-14-081, filed 6/30/25, effective 1/1/26)

WAC 182-12-250 Public employees benefits board (PEBB) insurance coverage eligibility for survivors of emergency service personnel killed in the line of duty. Surviving spouses, state registered domestic partners, and dependent children of emergency service personnel who are killed in the line of duty are eligible to enroll or defer enrollment in public employees benefits board (PEBB) retiree insurance coverage.

(a) A lawful spouse;

(b) An ex-spouse as defined in RCW 41.26.162;

(c) A state registered domestic partner as defined in RCW 26.60.020(1); and

(v) Children specified in a court order or divorce decree; or

(vi) Children as defined in RCW 26.26A.100.

(4) Surviving spouses, state registered domestic partners, and children who are eligible for medicare must enroll in both Parts A and B of medicare.

Note: For the exclusive purpose of medicare Part A as described in this subsection, "eligible" means the enrollee is eligible for medicare Part A without a monthly premium.

(5) The survivor (or agent acting on their behalf) must submit the required forms to the PEBB program to either enroll or defer enrollment in PEBB retiree insurance coverage as described in subsection (7) of this section. The forms must be received by the PEBB program no later than 180 days after the later of:

(a) The death of the emergency service worker;

(b) The date on the letter from the department of retirement systems or the board for volunteer firefighters and reserve officers that informs the survivor that they are determined to be an eligible survivor;

(c) The last day the surviving spouse, state registered domestic partner, or child was covered under any health plan through the emergency service worker's employer; or

(d) The last day the surviving spouse, state registered domestic partner, or child was covered under the Consolidated Omnibus Budget Reconciliation Act (COBRA) coverage from the emergency service worker's employer.

(6) Survivors who do not choose to defer enrollment in PEBB retiree insurance coverage may choose among the following options for when their enrollment in a PEBB health plan will begin:

(a) June 1, 2006, for survivors whose required forms are received by the PEBB program no later than September 1, 2006;

(b) The first of the month that is not earlier than 60 days before the date that the PEBB program receives the required forms (for example, if the PEBB program receives the required forms on August 29th, the survivor may request health plan enrollment to begin on July 1st); or

(c) The first of the month after the date that the PEBB program receives the required forms.

Note: Enrollment in the PEBB program's medicare advantage (MA) plan, medicare advantage-prescription drug (MA-PD) plan , or the Uniform Medical Plan (UMP) Classic medicare plan may not be retroactive.

(1) If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins.

(2) If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional coverage as designated by the director or designee during the gap month(s) prior to when the MA-PD coverage begins.

(3) If a subscriber elects to enroll in the UMP Classic medicare plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional UMP coverage during the gap month(s) prior to when the UMP Classic medicare plan begins.

For surviving spouses, state registered domestic partners, and children who enroll, monthly health plan premiums and applicable premium surcharges must be paid by the survivor as described in WAC 182-08-180 (1)(c) except as provided in RCW 41.26.510(5) and 43.43.285 (2)(b).

(7) Survivors must choose one of the following two options to maintain eligibility for PEBB retiree insurance coverage:

(a) Enroll in a PEBB health plan. Any of the following enrollment applies to survivors who are not enrolled in medicare. The enrollment described in (a)(i) and (ii) of this subsection applies to survivors enrolled in medicare:

(i) Enroll in PEBB medical;

(ii) Enroll in PEBB medical and PEBB dental;

(iii) Enroll in PEBB medical and PEBB vision; or

(iv) Enroll in PEBB medical, PEBB dental, and PEBB vision.

(b) Defer enrollment:

(i) Survivors may defer enrollment in PEBB retiree insurance coverage as described in WAC 182-12-205(3).

(ii) Survivors may enroll in a PEBB health plan as described in WAC 182-12-205(6). Survivors who defer enrollment as described in WAC 182-12-205 (3)(a) through (e) must provide evidence that they were continuously enrolled in one or more qualifying coverages as described in WAC 182-12-205 (3)(a) through (e) when enrolling in a PEBB health plan. Survivors who defer enrollment as described in WAC 182-12-205 (3)(f) or (g) must provide proof of enrollment in medicare Parts A and B, proof of permanent residence in the United States, and proof they currently reside in the United States; evidence of continuous enrollment in a qualified coverage is ((~~waived~~)) not required if the deferment is based on WAC 182-12-205 (3)(f) or (g).

Note: Enrollment in the PEBB program's MA plan, MA-PD plan, or the UMP Classic medicare plan may not be retroactive.

(1) If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins.

(2) If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional coverage as designated by the director or designee during the gap month(s) prior to when the MA-PD coverage begins.

(3) If a subscriber elects to enroll in the UMP Classic medicare plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional UMP coverage during the gap month(s) prior to when the UMP Classic medicare plan begins.

(iii) PEBB health plan enrollment for an eligible spouse and children who enroll will begin as described in WAC 182-12-205(6).

(8) Survivors may change their health plan during the annual open enrollment. In addition to the annual open enrollment, survivors may change health plans as described in WAC 182-08-198.

(9) Survivors will lose their right to enroll in PEBB retiree insurance coverage if they:

(a) Do not apply to enroll or defer enrollment within the timelines as described in subsection (5) of this section; or

(b) Do not meet the requirements to defer enrollment as described in subsection (7)(b) of this section.

AMENDATORY SECTION (Amending WSR 24-18-082, filed 8/29/24, effective 1/1/25)

WAC 182-12-265 What options for continuing health plan enrollment are available to a surviving spouse, state registered domestic partner, or child, if an employee, a school employee, or a retiree dies? The survivor of an eligible employee, an eligible school employee, or a retiree who meets the eligibility criteria and submits the required forms as described in subsection (1), (2), or (3) of this section is eligible to enroll or defer enrollment as a survivor under public employees benefits board (PEBB) retiree insurance coverage. If enrolling in PEBB retiree insurance coverage, the survivor's first premium payment and applicable premium surcharges are due to the health care authority (HCA) no later than 45 days after the election period ends as described in subsection (1), (2), or (3) of this section, except as described in WAC 182-08-180 (1)(a). Following the survivor's first premium payment, premiums and applicable premium surcharges must be paid as described in WAC 182-08-180 (1)(c).

(1) An employee's spouse, state registered domestic partner, or child who loses eligibility due to the death of an eligible employee may enroll or defer enrollment as a survivor under PEBB retiree insurance coverage provided they immediately begin receiving a monthly retirement benefit from any state of Washington sponsored retirement system. To satisfy the requirement to immediately receive a monthly retirement benefit they must begin receiving monthly benefit payments no later than 120 days from the date of death of the employee. The required forms to enroll or defer enrollment must be received by the PEBB program no later than 60 days after the later of the date of the employee's death or the date the survivor's PEBB insurance coverage ends.

Note: Enrollment in the PEBB program's medicare advantage (MA) plan, medicare advantage-prescription drug (MA-PD) plan, or the Uniform Medical Plan (UMP) Classic medicare plan may not be retroactive.

(1) If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins.

(2) If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional coverage as designated by the director or designee during the gap month(s) prior to when the MA-PD coverage begins.

(3) If a subscriber elects to enroll in the UMP Classic medicare plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional UMP coverage during the gap month(s) prior to when the UMP Classic medicare plan begins.

(a) The employee's spouse or state registered domestic partner may continue health plan enrollment until death.

(b) The employee's children may continue health plan enrollment until they lose eligibility as described in WAC 182-12-260.

Notes: If a spouse, state registered domestic partner, or child of an eligible employee is not eligible for a monthly retirement benefit, they are not eligible to enroll as a survivor under PEBB retiree insurance coverage. However, they may continue health plan enrollment as described in WAC 182-12-146.

Eligibility for continued enrollment in PEBB retiree insurance coverage for the surviving spouse, surviving state registered domestic partner, or surviving child of an employee of a PEBB participating employer group will cease at the end of the month in which the group's contract with the authority ends. Any survivor who loses eligibility for this reason may continue health plan enrollment as described in WAC 182-12-232.

Eligibility for the surviving spouse, surviving state registered domestic partner, or surviving child of an elected and full-time appointed official of the legislative and executive branches of state government is described in WAC 182-12-180.

(2) A retiree's spouse, state registered domestic partner, or child who loses eligibility due to the death of an eligible retiree may enroll or defer enrollment as a survivor under PEBB retiree insurance coverage as described in (a) through (d) of this subsection.

(a) The retiree's spouse or state registered domestic partner may continue health plan enrollment until death.

(b) The retiree's children may continue health plan enrollment until they lose eligibility as described in WAC 182-12-260.

(c) If a spouse, state registered domestic partner, or child of an eligible retiree is enrolled in a PEBB health plan at the time of the retiree's death, the survivors will be enrolled in the same PEBB health plan coverage they were enrolled in effective the first day of the month in which the retiree's death occurred. Eligible survivors may continue PEBB health plan coverage as described in (a) and (b) of this subsection. An eligible survivor may make changes to their PEBB health plan coverage or defer enrollment by submitting the required forms to the PEBB program. The required forms must be received no later than 60 days after the retiree's death. Changes in PEBB health plan coverage will be effective the first day of the month following the date of the retiree's death.

(d) If a spouse, state registered domestic partner, or child of an eligible retiree is not enrolled in a PEBB health plan at the time of the retiree's death, the survivor is eligible to enroll or defer enrollment as a survivor under PEBB retiree insurance coverage. The required forms to enroll or defer enrollment must be received by the PEBB program no later than 60 days after the retiree's death. For a survivor to enroll in a PEBB health plan who is not enrolled due to the retiree electing to defer enrollment in PEBB retiree insurance coverage as described in WAC 182-12-200 or 182-12-205 (3)(a) through (e), the survivor must also provide evidence of continuous enrollment in one or more qualifying coverages as described in WAC 182-12-205 (3)(a) through (e) from the most recent open enrollment for which the survivor was not enrolled in a PEBB medical plan prior to the retiree's death. A gap of 31 days or less is allowed between the date PEBB retiree insurance coverage was deferred and the start date of a qualifying coverage, and between each period of enrollment in qualifying coverages during the deferral period. If a retiree elected to defer enrollment in PEBB retiree insurance coverage as described in WAC 182-12-205 (3)(f) or (g), the survivor must provide proof of enrollment in medicare Parts A and B, proof of permanent residence in the United States, and proof they currently reside in the United States; evidence of continuous enrollment in a qualified coverage is ((~~waived~~)) not required as described in WAC 182-12-205 (6)(f).

Note: Eligibility for continued enrollment in PEBB retiree insurance coverage for the surviving spouse, surviving state registered domestic partner, or surviving child of an employer group retiree will cease at the end of the month in which the group's contract with the authority ends. Any survivor who loses eligibility for this reason may continue health plan enrollment as described in WAC 182-12-232.

(3) A school employee's spouse, state registered domestic partner, or child who loses eligibility due to the death of an eligible school employee may enroll or defer enrollment as a survivor under PEBB retiree insurance coverage at the time of the school employee's death, provided the employee died on or after October 1, 1993. The survivor must immediately begin receiving a retirement benefit allowance under chapter 41.32, 41.35 or 41.40 RCW. The required forms to enroll or defer enrollment must be received by the PEBB program no later than 60 days after the later of the date of the school employee's death or the date the survivor's school employees benefits board (SEBB) insurance coverage ends.

Note: Enrollment in the PEBB program's MA plan, MA-PD plan, or the UMP Classic medicare plan may not be retroactive.

(1) If a subscriber elects to enroll in a MA plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in a plan with the same contracted vendor during the gap month(s) prior to when the MA coverage begins.

(2) If a subscriber elects to enroll in a MA-PD plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional coverage as designated by the director or designee during the gap month(s) prior to when the MA-PD coverage begins.

(3) If a subscriber elects to enroll in the UMP Classic medicare plan, and the required forms are received by the PEBB program after the date the PEBB retiree insurance coverage is to begin, the subscriber and their enrolled dependents will be enrolled in transitional UMP coverage during the gap month(s) prior to when the UMP Classic medicare plan begins.

(a) The school employee's spouse or state registered domestic partner may continue health plan enrollment until death.

(b) The school employee's children may continue health plan enrollment until they lose eligibility as described in WAC 182-12-260.

Notes: If a spouse, state registered domestic partner, or child of an eligible school employee is not eligible for a retirement benefit allowance, they are not eligible to enroll as a survivor under PEBB retiree insurance coverage. However, a spouse, state registered domestic partner, or child of an eligible school employee enrolled in SEBB insurance coverage may continue health plan enrollment as described in WAC 182-31-090.

Eligibility for continued enrollment in PEBB retiree insurance coverage for the surviving spouse, surviving state registered domestic partner, or surviving child of a school employee of a SEBB participating employer group will cease at the end of the month in which the group's contract with the authority ends. Any survivor who loses eligibility for this reason may continue health plan enrollment as described in WAC 182-12-232.

(4) If premiums and applicable premium surcharges received by the HCA are sufficient as described in WAC 182-08-180 (1)(d)(ii) to maintain PEBB health plan enrollment after the employee, school employee, or retiree's death, the PEBB program will consider the payment as notice of the survivor's intent to continue enrollment.

If the survivor's enrollment ended due to the death of the employee, school employee, or retiree, the PEBB program will reinstate the survivor's enrollment without a gap subject to payment of premium and applicable premium surcharges.

(5) If a survivor elects to enroll a dependent in PEBB health plan coverage, the dependent must be enrolled in the same PEBB medical and PEBB dental plan as the survivor.

Exceptions: (1) If a survivor selects a medicare supplement plan, a MA-PD plan, or the UMP Classic medicare plan, nonmedicare enrollees will be enrolled in the UMP Classic. If a survivor selects any other medicare plan, they must also select a nonmedicare plan with the same contracted vendor available to nonmedicare enrollees.

(2) If a survivor selects a medicare supplement plan, MA-PD plan, or any other medicare plan, they may elect a PEBB vision plan available for any nonmedicare enrollees.

(6) A nonmedicare survivor must enroll in PEBB medical to be able to enroll in PEBB dental, in PEBB vision, or in both PEBB dental and PEBB vision. Any nonmedicare dependents they elect to enroll must be enrolled in the same PEBB medical, PEBB dental, and PEBB vision plan.

(7) In order to avoid duplication of group medical coverage, a survivor may defer enrollment in PEBB retiree insurance coverage as described in WAC 182-12-200 and 182-12-205.
